Placing an Order

Orders may be placed by telephone, fax, post or e-mail. Your ability to provide us with part numbers using this catalogue will allow for swifter processing of your order. If the catalogue does not list the part that you require, or you are in need of technical assistance, please do not hesitate to call. Our staff are some of the most knowledgeable in the industry, drawing on many years of experience with Lotus spares.

Payment

All orders are charged in UK pounds sterling and payment can be made by cash, cheque, credit card or debit card. We recommend that payments in cash are only made if you are collecting your order in person from our counter.

Shipping UK

Orders placed by 2.00pm will usually be dispatched that day. We use Royal Mail Special Delivery for items under 2KG with items exceeding this being sent by DPD / TNT. Both methods are a next day service and will require a signature upon delivery. Small items with a value of less than £26 are normally dispatched by 1st Class Letter Post.

Shipping Overseas

Spares can be shipped absolutely anywhere in the world. To achieve this we use a range of carriers that will deliver spares to your door, customs cleared. However, deliveries to addresses outside of the EU (European Union) may incur import tax and duty, which are not covered by the shipping charge. Under these circumstances you must pay any charges of this nature in order to take delivery of your goods.

Discrepancies

Please check your goods thoroughly as any transit damage or shortages must be reported to Paul Matty Sportscars within 24 hours of receipt of your goods. No claims will be considered after this period. It is your responsibility to check that you have the quantity ordered and that nothing is damaged.

Old Unit Cores

Some spares are supplied on an exchange basis. This means that we levy a surcharge on your old unit until it is returned. These must be assembled, complete, un-modified, drained of all fluids and suitable for us to recondition and sell to another customer. All old unit cores are marked with your invoice number upon return and we may deny your surcharge refund if our reconditioner considers them to be unsuitable for repair.

Returns

If we supply incorrectly, or you receive an item which is defective, please return it to us. However, if we do not know who the part is from, or the invoice that it relates to, it is impossible to refund your money or provide a replacement. Therefore, please include purchase details within your package. Parts returned for credit that have been correctly supplied will be subject to a 20% handling charge. Please note that, with the exception of faulty items, no goods will be considered for credit which have been retained for longer than 30 days.
